PRIOR ART

7A

Diagram 7A is a cross-sectional view of a semiconductor device. It shows a central structure with a central vertical line labeled l_1 and a horizontal line labeled l_2 . The structure is composed of several layers: 10, 12, 13, 15, 17, 19, 21, 24, and 26. A central vertical line is labeled l_1 , and a horizontal line is labeled l_2 . Other labels include 13b, 31, 33, and 35.
